A HISTORIC INVESTMENT IN HEALTHCARE

REIMAGINING HEALTHCARE

RÉIMAGINONS LES SOINS DE SANTÉ

The Timmins and District Hospital Foundation has embarked on a comprehensive campaign to raise **\$30M** to **transform the future of care** at TADH. It will fund **critical needs** in two key areas—**equipment** and infrastructure (**Emergency Department redevelopment**).

The Emergency Department is the front door to our hospital, A combination of renovation and new construction will result in a modern, state-of-the-art 23,000 square foot Emergency Department—an **increase of 17,000 square feet** from the current footprint. This additional space will be constructed as a second floor above the Kidney Care Centre.

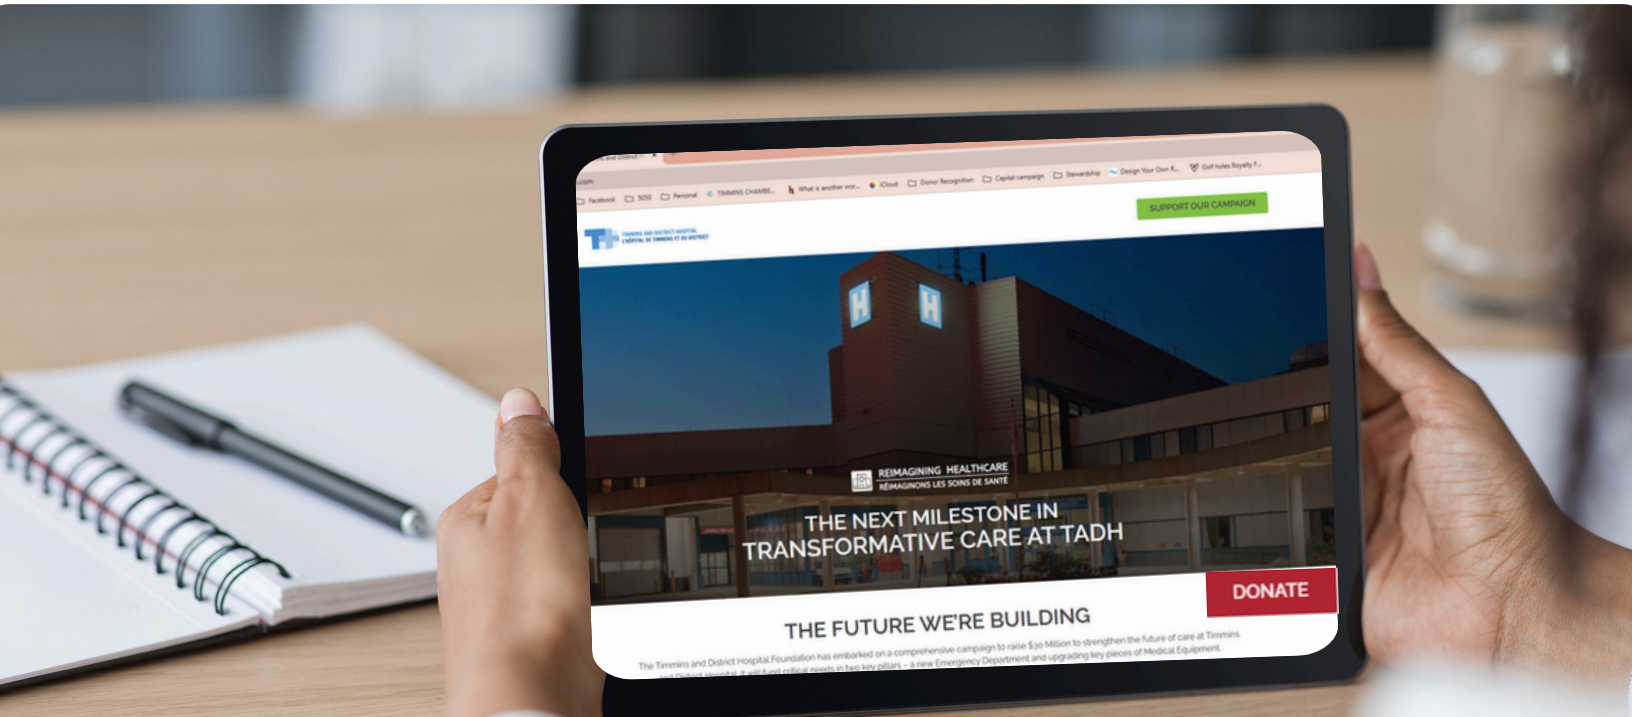

As demand for healthcare services continues to grow, so does the need for modern facilities and advanced medical equipment. From patient beds to diagnostic imaging technology such as MRI, CT, and Nuclear Medicine, these vital resources are essential to providing timely, exemplary care. Together, the Emergency Department redevelopment and equipment upgrades will transform healthcare delivery and help ensure the best possible outcomes for patients across northeastern Ontario.

Support healthcare in the northeast. Help us build the future of care.

Taking the lead

Over the Hill author Diane Armstrong was inspired by personal experience to make a generous **\$10,000 gift** to purchase an AIRVO 3 for the **Cardiopulmonary Unit**.

During a hospital stay, she asked a simple but important question: “**Why is my mouth so dry**, and isn’t there something we can do?” That moment sparked a desire to help **improve comfort and care** for **future patients** facing respiratory challenges.

EVENTS & PROGRAMS

CHRISTMAS CARD CAMPAIGN

Donors from across the province responded with incredible generosity, helping **raise over \$98,000** to purchase a **new operating table**.

Thank you for your support and for making a lasting impact on patient care in our region!

BINGO LOCO — A SOLD-OUT SUCCESS

The energy, laughter, music, and unforgettable fun filled the air — all while supporting our hospital. We are thrilled to announce that the event **raised more than \$94,000** in support of the **TADH Emergency Department redevelopment**.

ABOUT THE FOUNDATION

JAMIE ROACH CHAIRPERSON, TADH FOUNDATION

As Chair, Jamie provides leadership and guidance during an exciting and transformative time for healthcare in our region.

A dedicated community leader, he is passionate about giving back to the place he proudly calls home. Jamie values family and is committed to supporting initiatives that will strengthen northeastern Ontario for generations to come.
